IMPACT: State

Summary of Legislation: This bill adds the State Treasurer and the Director of the Budget Agency or their designees to the Boards of Trustees of the Public Employees' Retirement Fund (PERF) and the Teachers' Retirement Fund (TRF). It requires the state Board of Accounts to annually audit PERF and TRF operating costs.

Effective Date: July 1, 2003.

Explanation of State Expenditures: *Board Membership:* The PERF Board and the TRF Board meet monthly for the most part, although the PERF Board has not met during the month of August over the last few years. For the PERF Board, the new members will receive reimbursement for necessary expenses actually incurred through service on the Board. For the TRF Board, the new members are to receive the same mileage and travel allowances paid to members of the General Assembly serving on interim study committees. There may be a slight increase in expenditures for both Boards. The funds affected are the non-budget administrative funds for both Boards.

Board of Accounts Audit: The Board of Accounts audits both PERF and TRF currently. This proposal specifies that they are to audit the operating costs. There should be no additional costs involved.
